Policy Statement

At Smartpay we understand that building diversity and inclusion, and proactively recognising equality across our business, is critical to delivering outstanding customer experiences and business performance. We are committed to attracting, developing, promoting and retaining a diverse group of talented individuals who will help drive our business performance.

Background

Smartpay is committed to diversity and appreciating the variety of characteristics that make individuals unique in an environment that promotes and supports individual and collective achievement. These characteristics include gender, age, culture, disability (mental, learning, physical), economic background, education, ethnic or national origins, language(s) spoken, relationship status, physical appearance, race, colour, religious beliefs, gender identity, or sexual orientation.

We recognise inclusion is the practice of providing equal access to opportunities and resources for people who might otherwise be excluded or marginalised.

The Board has identified the Company's Values as:

- 1. One Team** – we will work together to create an inspiring company that we are all proud to work for
- 2. Fearless** – in our approach and our focus on the customer
- 3. We deliver** - by listening, engaging and being held accountable.

These inherently recognise the importance of diversity and inclusion in helping Smartpay deliver its business objectives and fulfil the needs of its customers.

Practising diversity and inclusion for Smartpay means incorporating diversity into its values and culture, talent acquisition, succession management, and to ensuring that our workforce reflects the diverse communities in which we operate in.

Managers have access to information to ensure the implementation of this policy and the processes to deal with complaints. As an organisation we will celebrate national / international events which raise awareness around tolerance, acceptance and diversity.

Smartpay reserves the right to amend, update or withdraw its corporate policies without prior notice.
